Soft Skills

Problem Solving

Effective Communication

Teamwork

Adaptability

Projects

Ovik Finance Official website   Live Demo link

Tech Stack - React | Redux | Chakra UI | Tailwind Css

Domain - ovikfinance.com

Developed and deployed the official website for Ovik Finance using React, TypeScript, Chakra UI, and Tailwind CSS. Designed a responsive and visually appealing interface to enhance user engagement. Focused on performance optimization and seamless UI/UX.

Puja Padhati   Live Demo link   GitHub Link

Tech Stack - React | Redux | Chakra UI | Tailwind Css

Domain - pujapadhati.com

Built and deployed Puja Padhati, a comprehensive website for Hindu rituals, featuring mantras, slokas, aartis, stotras, and more. Developed with React, Chakra UI, and Tailwind CSS to ensure a seamless, responsive, and user-friendly experience.

MessGo   Live Demo link   GitHub Link

Tech Stack - React | Redux | Tailwind CSS | Chakra UI | Express.js

Description: Developed a responsive role-based platform for digitalizing mess operations using React, Redux, and Chakra UI.

- **Responsive Design:** Ensures seamless functionality across various devices.
- **Payment :** Integrated Razorpay for secure payment processing

This project highlights my skills in frontend development and implementing interactive e-commerce features.

Experience

O3 Infotech Private Limited | Full Stack Web Developer

December 2023- April 2024

Led UI development efforts to ensure intuitive and visually appealing user interfaces. Performed comprehensive bug fixing and troubleshooting to uphold seamless functionality.

Ovik TechFin Private Limited | Full Stack Web Developer

July 2024- Jan 2025

Led development in building scalable web applications with React, TypeScript, Redux, and Node.js. Skilled in frontend and backend development, API integration, and optimizing performance for seamless user experiences.
